Showcase Costumes

Upon receiving your dancer's costumes, we kindly request that you have your child try it on to identify any necessary alterations.

Some costumes may come with detachable straps that will need adjustment and attachment.

Additionally, it is advised to hang the costumes to allow wrinkles to naturally fall out. Please ensure all pieces of your child's costume are labeled with their name on them.

If you haven't bought tights or the appropriate shoes, please visit the front desk to obtain these items. If your size isn't available, we may need to place an order.

If you have any inquiries regarding costumes, please reach out to the front desk for assistance.
